

Title	Product Category	Get Code	Keyword
Alternative repair strategies for traditional buildings	Assured	GET2099	Remote Learning
Basement water management	Assured	GET2100	Remote Learning
BS8000 part 16 code of practice	Assured	GET2168	Remote Learning
Cold weather working requirements for bricklayers	Assured	GET1782	Remote Learning
Commercial Management of Construction Contracts	Assured	GET1752	Remote Learning
Concrete aggregates awareness	Assured	GET2037	Remote Learning
Condensation and atmospheric moisture management	Assured	GET2104	Remote Learning
Co-ordinating brickwork requirements	Assured	GET1781	Remote Learning
Curtain walling design and construction	Assured	GET2106	Remote Learning
Defect prevention – superstructure	Assured	GET1908	Remote Learning
Demolition Safety Awareness	Assured	GET0241	Remote Learning
Develop and maintain a home build programme	Assured	GET1871	Remote Learning
Duty to manage asbestos	Assured	GET2220	Remote Learning
Effective snagging and pre-handover checks	Assured	GET1872	Remote Learning
Environmental and sustainability for liquid roofing	Assured	GET1825	Remote Learning
Environmental and sustainability issues	Assured	GET2126	Remote Learning
Flat roofing (RBM) vapour control layers	Assured	GET2236	Remote Learning
Floor repair	Assured	GET1861	Remote Learning
Formwork Introduction	Assured	GET0128	Remote Learning
Ground gas protection measures - getting it right	Assured	GET2107	Remote Learning
Groundworks introduction	Assured	GET2376	Remote Learning
Hand arm vibration in construction	Assured	GET2377	Remote Learning
